Confluence Noun: “a coming or flowing together, meeting, or gathering at one point.”

A Wine, Beer, Seafood and Music Festival- 2009

The first event of the year for the Reedsport/Winchester Bay Chamber of Commerce is the award winning, “Best New Event or Festival in Oregon,” *Confluence* 2009 – A Wine, Beer, Seafood and Music Festival will be held Feb. 13-15th, 2009. This event is to help stimulate the regional winter economy of the Oregon Coast.

Confluence 2009 will feature different styles of music, wine, beer and food merging and flowing together. While visitors to the event listen to musicians, Oregon wineries and breweries will showcase their respective products, and food vendors will serve culinary delights of the Oregon Coast. Ice sculpture carving and chef demos will be presented. Local crafters and artists will also be showcased. Free shuttle buses will transport visitors from several locations in Gardiner, Reedsport and Winchester Bay to the event held at the old W.F. Jewett School in Gardiner, Oregon.

Confluence 2009 will unfold with a “**Wine Taster’s Dinner**,” on Friday evening. A four course dinner paired with the appropriate wine, candlelight and roses. Seating will be limited to 70 people, with tickets moderately priced at \$65 a person. This will be a semi-formal affair that’s sure to please every palette.

Confluence 2009 will be held over Valentine’s Day and President’s Day three day weekend which is a great getaway weekend for many out of town visitors. This event will help strengthen the economy of our community by attracting tourist from the Northwest to our beautiful Coast. These people stay in our area campgrounds or local motels, eat at our well known restaurants, visit our Discovery Center, and shop our many and diverse local merchants. We understand that our economy faces many challenges right now, but it is events like this that can help ease the downturn in business during the winter months. Your business can be seen as a contributor to improving the local economy while complimenting a weekend to remember.

Please help support our award winning event.
